Boosters, Music and Running... Paying it forward!

We are passionate in our belief that music makes the world a better place. It stirs emotion. It soothes the soul. It makes our journeys through life more memorable. Imagine life without it.

We are passionate about providing scholarship opportunities for the amazing young musicians that grace the halls of Delaware City Schools. We may listen to them sing or play one day with a symphony or see them in concert.

We are passionate about contributing to the excellent DCS music program to help the dedicated teachers who pour so much of their hearts and souls into it.

We are passionate in our belief that providing a strong foundation for young people is the key to building a better tomorrow. Music boosts brain power and fuels a student's academic capacity.

We are passionate in our belief that we should pay it forward to the very students and teachers who enrich our community with their music.

Become a Sponsor...

Do you have music in your soul and soles on your shoes?

Whatever your speed, whatever your style, this is the 5K to fuel your passion for music and running!

Please consider becoming a sponsor of the Delaware Music Boosters 5th Annual **Music In Motion 5K Run and Walk**. Proceeds will be used to provide music scholarships and to continue the tradition of excellence in music in the Delaware City Schools.

Thanks to our past sponsors, we have provided more than \$8000 in scholarship monies to music students and recognized their outstanding achievements within the music program at the senior awards banquet.
